All Form-25s for non-chargeable Union time shall identify the management representative in the meeting, shall state the nature of the meeting, and shall be forwarded upon submission to a designated e-mail address established by the City Human Resources Department, or to the HR Director's e-mail address absent a designated e-mailaddress.
- (B) Within 30 calendar days after the City's delivery of the written statement referenced in 4.5(A), CODE shall advise the City in writing as to how CODE, in its discretion, will reimburse the City for all chargeable Union time utilized in the preceding contract year by: (i) stating how many hours will be deducted from the donated time bank provided for in section 4.6: (ii) how many hours will be paid for by CODE at the average hourly rate for CODE employees as of the date of

expiration of the prior agreement, for which the City shall supply supporting documentation, and which shall not change during the duration of this agreement; and (iii) how many hours are to be deducted from Bargaining Unit members' vacation and/or compensatory time balances subject to a maximum of one hour per member of the Bargaining Unit per year.

(C) Within 60 calendar days after the City's delivery of the written statement referenced in 4.5(A), CODE shall deliver to the City the payment due, if any, under section (B) above. The City shall advise CODE at least 14 calendar days prior to the pay date on which vacation and/or compensatory time will be deducted from Bargaining Unit members' vacation and/or compensatory time balances. No deduction from the vacation and/or compensatory time balance of a member of the Bargaining Unit shall result in a negative vacation and/or compensatory time balance.

# **Section 4.6 Donated Time Bank**

- (A) Employees of the Bargaining Unit may donate up to one hundred (100) hours of time as specified herein.
- (B) An employee may donate up to one hundred (100) hours of vacation and/or compensatory time per contract year as a lump sum, on a pay period by pay period basis, or any combination thereof.
- (C) The employee must donate time to the CODE time bank on or before the close of each contract year (i.e., March 30) during the term of this Agreement.
- (D) CODE shall be entitled to use any or all of such donated time to reimburse the City for chargeable Union time under section 4.5(C). To the extent CODE does not utilize all of the time credited to the CODE donated time bank during a contract year, the unused time shall carry over to the following year up to 200 hours each year.
- (E) Employees who accrue vacation in excess of the maximum balances in Section 11.1 may elect to have all or some excess hours accrued that pay period donated to the CODE Union Time Bank. To do so, the employee shall send an e-mail, including the employee's CHRIS ID number and the number of hours the employee wishes to donate, to the Human Resources Director (or the Director's payroll designee) and CODE Secretary (secretary@codegroup.org) indicting the employee's desire to have his/her hours donated to the CODE Union Time Bank. The employee's e-mail must be sent at least three (3) working days prior to the end of the affected pay period.

# **Section 4.7 Release Time for CODE Bargaining Team**

CODE bargaining committee members who participate in negotiations with the City shall be compensated for time lost during regular working hours to attend such meetings, with all benefits, up to a total limit of 640hours.

# **Section 4.8 Release Time for Grievance Meetings**

Employee grievants and CODE representatives, when applicable, shall be given paid time off to participate in First Step informal discussions for the purpose of grievance avoidance, and First and Second Step grievance hearings/meetings if they are held at the request or consent of the City during the employee's working time. No other time spent on grievance matters shall be considered time worked for compensation purposes.

As long as the Appointing Authority, Manager/Supervisor, or designee determines that time spent on such activities will not interfere with normal work activity, the employee grievant may use vacation, compensation time, or unpaid leave for any other activities related to the investigation of, or preparation for a grievance hearing/meeting.

As long as the Appointing Authority, Manager/Supervisor, or designee determines that time spent on such activities will not interfere with normal work activity, the CODE Representative shall be released for such hearings/meetings or for any other activities related to the investigation of, or preparation for a grievance, or a grievance hearing/meeting. Time spent by the CODE President or Vice President in Grievance hearings/meetings is non-chargeable. If neither the President nor the Vice President is available, the Representative's time spent in the actual grievance meeting/hearing is non-chargeable. All other time spent during normal work hours by the President, Vice President, or CODE Representative investigating or preparing for a grievance is chargeable Union time, and any such time used shall be tracked and reported by the Union.

## **ARTICLE 5: RESERVATION OF RIGHTS**

## **Section 5.1 Employee Rights**

It is agreed that a number of terms and conditions of employment for employees in the bargaining unit are not specified in this Agreement. Therefore, except as may be specified elsewhere in this Agreement, as for any and all terms and conditions of employment not specified in this Agreement, no employee in the bargaining unit waives any individual right under City Charter; City Code; City rule or regulation; and state or federal statute, constitutional principle, or common law. To the contrary, it is specifically recognized that such individual employee rights remain unaffected by this Agreement, and that such individual employee rights are enforceable through normal Civil Service, regulatory, and/or judicial processes. Nothing in this Section 5.1 shall be construed to limit in any way the authority of the City to enact, modify or repeal any City Charter or City Codes provision, ordinance, resolution, rule, regulation, policy or procedure.

#### **Section 5.2 Management Rights**

Except as specifically limited by the express provisions of this Agreement, the City retains all traditional rights to manage and direct the affairs of the City in all respects and to manage and direct its employees to unilaterally make and implement decisions with respect to the operation and management of the City in all respects, including, but not limited to, all rights and authority possessed or exercised by the City prior to the City's recognition of CODE as the collective bargaining representative for the employees covered by this Agreement. The

authority and powers of the City as prescribed by the City Charter and City Codes, Statutes and Constitution of the State of Ohio and the United States shall continue unaffected by this Agreement, except as expressly limited by the express provisions of this Agreement. These City rights as prescribed by the City Charter, City Codes and the Statutes and Constitutions of the State of Ohio and the United States shall include, but are not limited to, the following:

To determine any and all terms and conditions of employment not specifically set forth in this Agreement, to plan, direct, control and determine all the operations and services of the City; to determine the City's mission, objectives, policies and budget and to determine and set all standards of service offered to the public; to supervise and direct employees and their activities as related to the conduct of City affairs; to establish the qualifications for employment and to employ employees; to determine the hours of work and to schedule and assign work; to assign or to transfer employees within the City; to establish work and productivity standards and, from time-to-time, to change those standards; to assign overtime; to layoff or relieve employees due to lack of work or funds or for other legitimate reasons; to determine the methods, means, organization and number of personnel by which such operations and services shall be made or purchased; to make and enforce reasonable rules and regulations; to discipline, suspend and discharge employees; to change, relocate. modify or eliminate existing programs, services, methods, equipment or facilities; to determine whether services or goods are to be provided or produced by employees covered by this Agreement, or by other employees or nonemployees not covered by this Agreement, to hire all employees and, subject to provisions of law, to determine their qualifications, and the conditions for their continued employment, or their dismissal or demotion, and to evaluate, promote and transfer all such employees; to determine the duties, responsibilities, and assignment of those in the bargaining unit.

The exercise of the foregoing powers, rights, authorities, duties and responsibilities by the City and the adoption of policies, rules, and regulations in furtherance thereof, shall be limited only by the specific and express terms of this Agreement. No action, statement, agreement, settlement, or representation made by any member of the bargaining unit regarding the City's obligations or rights under this Agreement, shall impose any obligation or duty or be considered to be authorized by or binding upon the City unless and until the City has agreed thereto in writing.

# **Section 5.3 Notification**

Prior to the adoption, modification, or deletion of any work rule or policy affecting CODE employees, the City shall submit the work rule or policy to CODE at least 30 days prior to the adoption, modification, or deletion of any work rule or policy for comment and input (unless a critical issue arises that requires implementation in less than 30 days, however, in such case the Union shall still be notified prior to the implementation). Notification will be sent to the e-mail address: president@codegroup.org.

New or revised rules or policies shall be communicated in a timely manner to the affected bargaining unit members prior to the effective date, unless to do so, would be impractical. Communication shall be made in a manner that can be verified. Methods of verification may include but are not limited to: employees' signed acknowledgments of receipt; verified attendance at meetings where a policy is introduced or discussed; or documented e-mail

#### **ARTICLE 6: CODE/CITY JOINT LABOR-MANAGEMENT COMMITTEES**

#### **Section 6.1 Joint Labor-Management Committee**

The parties agree that they will form and maintain a Joint Labor-Management Committee to discuss matters of mutual interest relating to the employees covered by this Agreement and the City. The Committee shall meet quarterly or as mutually agreed by the co-chairs. The number of City and CODE representatives on this committee shall be approximately equal. The respective parties shall choose their co-chairs. Once the Committee is formed, the parties shall mutually agree upon a Committee member who shall be designated to take minutes, which will be approved and circulated to the Committee members via email.

# **Section 6.2 Presumptive Sub-Committees**

The following sub-committees may be convened by either party with 30 days' notice to the non-convening party. Once convened, each of these sub-committees shall meet quarterly or as mutually agreed by the co-chairs. Once convened, these sub-committees may only be dissolved by mutual agreement of both parties. The non-convening party shall participate in any such sub-committee once it has been convened:

#### (A) Insurance Sub-Committee

The Joint Insurance Sub-Committee will evaluate and assess proposals, study trends, and consider new and unique ways of providing health care to employees and make recommendations to the City Manager. The City's Risk Manager or designee will be a member of this sub-committee. The number of City and CODE representatives on this sub-committee shall be approximately equal.

# (B) <u>Professional Development and Performance EvaluationSub-Committee</u>

The Joint Professional Development and Performance Evaluation Sub-Committee will discuss and make recommendations to improve professional development procedures for CODE members and recommend changes to the current performance evaluation system. The sub-committee may consider seminar attendance, professional memberships, career paths and other related topics as agreed upon by the sub-committee. The sub-committee shall also evaluate metrics-driven appraisals, self- appraisals, 360° appraisals, pay-for- performance, and other related topics as agreed upon by the sub-committee. The recommendations of the sub-committee will be presented to the Director of Human Resources or designee and the appropriate Appointing Authorities for consideration and possible implementation. The number of City and CODE representatives on this sub-committee shall be approximately equal.

## **Section 6.3 Ad-Hoc Sub-Committees**

The Joint Labor-Management Committee shall have the authority to convene ad-hoc sub-committees as necessary to address particular issues. These sub-committees shall be convened by mutual agreement of the parties and shall meet quarterly or as mutually agreed

by the co-chairs. The number of City and CODE representatives on any ad-hoc sub-committee shall be approximately equal.

#### **ARTICLE 7: DISCIPLINE**

#### **Section 7.1 Investigation**

- (A) Any employee who may be a focus of an investigation may be interviewed as part of the investigatory process, in which event he/she may, upon request, have a CODE representative present during that interview. CODE shall be notified at least 24 hours prior to conducting the interview, unless the nature of the investigation requires the interview to be conducted immediately.
- (B) Employees who are suspended without pay pending an investigation and/or predisciplinary hearing, shall remain in a no pay status for no more than 30 working days. If the investigation and/or pre-disciplinary hearing is not complete after this 30 day period, the employee shall be placed on administrative leave with pay until the final disposition of the matter as set forth in Section 7.2 and Section 7.3. Nothing in this Article should be construed to limit the City's ability to place an employee in an unpaid status under this Article.

# **Section 7.2 Reprimands and Pre-Disciplinary Meetings**

- (A) Written reprimands shall be simultaneously served on the employee and CODE (<a href="mailto:president@codegroup.org">president@codegroup.org</a>) within 25 working days from the date the charging supervisor becomes aware, or should have been aware of the precipitating incident, unless it is the result of a pre-disciplinary meeting.
- (B) Any oral reprimand must have been memorialized in e-mail and sent to the employee with <a href="mailto:president@coegroup.org">president@coegroup.org</a> copied. The e-mail shall be sent within five (5) business days of the oral reprimand being given to the employee.
- (C) Notice of pre-disciplinary meetings must be sent to an employee no later than 25 working days from the date upon which the supervisor or manager becomes aware, or should have been aware of the precipitating incident(s), except in more serious cases involving violations of Administrative Regulations 25 (Sexual Harassment), 49 (Workplace Violence), 55 (Offensive /Derogatory comments), or accidents (where damage is in excess of \$10,000), severe personal injury or other serious misconduct requiring extensive investigation. The time frame for these more serious cases will be up to 85 working days. If, after the investigation above is completed, the City wishes to only issue a written reprimand to the employee, the City shall notify the employee and CODE of the completion of the investigation and must issue the written reprimand within 20 working days of the completion of the investigation. A copy of this notice must be forwarded to CODE by e-mail to the e-mail address: president@codegroup.org. In cases involving an investigation by a law enforcement agency, there will be no time limit for completion of the investigation. Notice of the pre-disciplinary meeting will be issued within 10 working days after the department becomes aware of the conclusion of the investigation.

- (D) CODE shall be notified of the time and location of the hearing on the disciplinary charges and shall have the right to attend said hearing for the purpose of representing the employee and/or to protect the integrity of this Agreement.
- (E) The pre-disciplinary meeting shall be held and the final disposition of the matter, which shall include the Final Form-32 with attachments and the meeting summary, must be sent to the employee and CODE within 25 working days from the date of the pre- disciplinary meeting. Failure to comply with the timelines will result in dismissal of the allegations against the employee.
- (F) Departments that have Boards or Commissions (Parks, Recreation, and Health) who act as the appointing authority are granted additional time to deliver the Form-32 to the employee and CODE. Once the final disposition is signed by the Human Resources and Law departments, the Form-32 will then be forwarded to the appropriate Board or Commission for the next meeting date following the end of the 25 day period. The Form-32 will be sent to the employee and CODE no later than 5 workdays after the Board or Commission meeting.
- (G) The City may request an extension of these timelines and CODE shall not unreasonably deny such extension request. All requests for extension of time must be signed by both the City and a representative of CODE and specifically state the length of the extension of time granted. Email confirmation shall suffice.

# **Section 7.3 Service of Disciplinary Actions**

Written Reprimands, Notices of Pre-disciplinary Meetings, and Form 32's (and accompanying materials) will be served to the employee, and to CODE by e-mail to the CODE e-mail address: president@codegroup.org.

#### **Section 7.4 Determination of Discipline**

Discipline shall be commensurate and, except in cases of serious misconduct, progressive. The following factors may be considered in determining the exact penalty:

- The nature and seriousness of the offense, or whether it was committed repeatedly;
- The employee's job duties and position, e.g., whether supervisory;
- The employee's prior disciplinary record;
- The employee's work record, including length of service, performance and dependability;
- Consistency with the penalties imposed in similar situations;
- The notoriety of the offense or its impact on the City's reputation;
- The extent to which the employee was aware of any rules that were violated or warned about the conduct in question;
- The potential for the employee's rehabilitation;
- Mitigating or aggravating circumstances surrounding the offense;
- The adequacy and effectiveness of alternative sanctions to deter the conduct.

# Section 7.5 Length of Time Prior Discipline May Be Considered

- (A) Written reprimands shall be removed from the employee's personnel records 1 year after the date of the precipitating incident unless there has been further discipline during that time period. Any suspension (or the equivalent penalty) less than 41 hours shall be removed from the employee's personnel records 3 years after the date of the precipitating incident unless there has been further discipline during that time period. Any suspension equal to or greater than 41 hours (or the equivalent penalty) shall be removed from the employee's personnel records 5 years after the date of the precipitating incident unless there has been further discipline during that time period. After the expiration of the periods specified above, such disciplinary action shall not be used as a basis for any further disciplinary action against the employee.
- (B) In the event of subsequent discipline during the retention period described above, the prior disciplinary action's retention period shall follow the retention period of the most recent discipline, notwithstanding progressive penalties laid out in Administrative Regulations 25 and 52.

#### **Section 7.6 Exceptions**

- (A) The time constraint provisions of this Article shall not be applicable when actions of a criminal nature or when alleged violations of other local, state or federal laws warrants extensive investigation, or upon mutual consent of the parties. If an investigation requires more time to complete, the parties may agree to extend the time period, which will not be unreasonably denied. The agreement shall be in writing, signed by representatives of the City and CODE and shall specifically state the length of any extensions of time. Email shall suffice.
- (B) If an employee is off duty due to dismissal or on approved or unapproved leave, the time limits for investigation, the final disposition, and hearing shall automatically be tolled.

## **Section 7.7 Extensions to Time Deadlines**

The parties may agree to reasonably extend any of the timelines in Article 7. Such extensions shall not be unreasonably withheld. All extensions of time shall be in writing and signed by a representative of the City and CODE and shall specifically state the extension agreed upon. Email shall suffice.

## **ARTICLE 8: GRIEVANCE PROCEDURES**

#### **Section 8.1 Definition**

A grievance shall mean an alleged violation of a specific provision of this Agreement arising under and during the term of this Agreement, except that any dispute or difference of opinion concerning a matter or issue addressed by the Cincinnati Civil Service Commission's rules or which could be heard before the Cincinnati Civil Service Commission, except for disciplinary

actions, shall not be considered a grievance under this Agreement. Discipline involving suspensions, demotions and terminations pursuant to Article 7 of this Agreement may only be grieved according to this Article and may not be appealed through the Civil Service Commission. The Parties explicitly waive the provisions of Ohio Revised Code Chapter 124 as they relate to the appeal of disciplinary action. Grievances regarding written reprimands may be filed at Step 1 and advanced to Step 2 but may not be referred to arbitration.

Failure of probation shall not be grieved. Performance evaluations shall not be grieved.

Discipline less than a written reprimand may not be grieved.

CODE may appeal a written reprimand on behalf of a CODE employee by filing a grievance at the next highest step from the level at which the written reprimand was issued. Such grievance must be in proper written form. Consultations and oral reprimands are not appealable through the Grievance Procedure. Grievances regarding written reprimands shall only be heard once and will never be subject to arbitration.

CODE is the sole and exclusive bargaining agent for all members and employees, and the City does not recognize any grievance not previously reviewed, approved, and filed by CODE. The City and CODE also recognize that CODE, not its members or employees, has the exclusive right to negotiate, settle, compromise, withdraw or otherwise resolve grievances.

## **Section 8.2 Procedure**

If the grievance concerns corrective action greater than a written reprimand, the grievance shall proceed directly to Step 3 (the Human Resources/Mediation step). For grievances concerning all other matters, the following procedure shall be used:

#### STEP 1. Division Level

If there is an employee(s) who believes they have been aggrieved, he/she with the President, Vice President, or Union Representative (only one of these three) shall first notify the employee's immediate supervisor/manager of a potential grievance. The employee should notify the supervisor/manager as soon as possible so that the parties can attempt to informally resolve the matter. No grievance shall be considered or processed unless submitted in writing after the first event giving rise to the grievance or within 15 working days after the employee or CODE, through the use of reasonable diligence, could have obtained knowledge of the first event giving rise to the grievance. These 15 days may be used to hold informal grievance (or grievance avoidance) meetings with appropriate Supervision/Management. The employee and/or a Union President, Vice President, or Union Representative (only one of these three) will meet with the Division Head or designee.

If the matter cannot be resolved informally within the aforementioned 15 working days, then CODE shall submit the grievance in writing to the Division Head by or on the 15<sup>th</sup> day. If a grievance is not presented within this time limit, it shall be considered "waived."

Once the written grievance is submitted, the Division Head or their designee will then meet with the Union (which may include the grievant and up to two other Union officials or Representatives). However, if the Division Head or designee has already met with the

Union to discuss the matter informally, as described above, a written response will be submitted by the Division Head within 5 working days of receipt of the written grievance. Otherwise, the Step 1, Division-level meeting shall occur within 10 working days of the submission of the written grievance.

If the parties have not previously met, the Division Head or their designee will then meet with the Union (which may include the grievant and up to two other Union officials or Representatives). The Division head will respond in writing to the CODE President within 5 working days after the Step 1, Division-level meeting is held. Notification will be sent to the Union via City e-mail to the e- mail address: president@codegroup.org. The City or CODE may request a reasonable extension of all timelines in this section. All extensions must be in writing, signed by both the City and CODE, specify the length of time for the extension, and shall not be unreasonably denied. Email shall suffice.

# STEP 2. <u>Department Level</u>

If the grievance is not satisfactorily settled at Step 1, the Union may, within 5 working days after receipt of the Step 1 answer, appeal the grievance to the Department Head. The Department Head or designee shall meet with the Union (which may include the grievant and up to two other Union officials or Representatives) within 10 working days in an attempt to adjust the grievance and shall render an answer in writing stating the reasons for granting or denying the grievance within 10 working days after the Step 2, Department-level meeting. The Department Head or their designee shall notify the Union via City e- mail to the e-mail address: president@codegroup.org. The City or CODE may request a reasonable extension of all timelines in this section. All extensions must be in writing, signed by both the City and CODE, specify the length of time for the extension, and shall not be unreasonably denied. Email shall suffice.

# STEP 3. Mediation / Human Resources

In order to move the grievance to Step 3, the Union must notify the Human Resources Department of its intent to do so within 5 days of the receipt of the Step 2 answer, or it will be considered waived/settled.

Grievances that are not satisfactorily settled at Step 2 which involve contract interpretation (not related to discipline), and discipline matters involving suspensions of 24 hours or more (or equivalent loss of pay or vacation) will move directly to mediation. All other grievances will proceed directly to Human Resources unless the parties mutually agree to move a grievance to mediation. The Union may request, in lieu of mediation, that the Human Resources Director or designee(s) hear any grievance otherwise designated to go to mediation. All grievances heard by the Human Resources Director or designee(s) shall not be eligible for mediation.

# **Human Resources**

Within 10 working days of submitting a grievance to the Human Resources Director, the Human Resources Director, or designee(s), along with departmental management when applicable, shall meet with the Union (which may include the grievant and up to two other Union officials or Representatives) in an attempt to adjust the grievance. The Human Resources Director or designee(s) shall, within 10 working days of the Step 3 Human Resources-level meeting, render an answer in writing (to the e-mail address:

president@codegroup.org) stating the reasons for granting or denying the grievance. The City or CODE may request a reasonable extension of all timelines in this section. All extensions must be in writing, signed by both the City and CODE, specify the length of time for the extension, and shall not be unreasonably denied. Email shall suffice.

#### Mediation

When a grievance is moved to mediation the Human Resources Director or designee(s), along with departmental management shall meet with the Union (up to three persons which may include the grievant) and a Mediator from the Federal Mediation and Conciliation Service (FMCS) in an attempt to adjust the grievance through the mediation process. The representatives attending for each party shall have complete authority on behalf of their party to enter into a binding agreement to resolve the grievance. If FMCS no longer offers free mediation, the parties agree to request a Mediator from the Ohio State Employment Relations Board (SERB). For grievances that are moved to Step 3, should free mediation from FMCS and from SERB no longer be available during the term of this agreement, all grievances will only be heard by the Human Resources Director designee, and if denied, may be moved to Arbitration.

#### STEP 4. Arbitration

If the grievance is not satisfactorily settled at Step 3, the Union may, within 20 calendar days after receipt of the Step 3 answer, submit the grievance to the Human Resources Director or his/her Designee for arbitration. Once the City has received notification, the Union has thirty 30 calendar days (from the date that the Union sent the notice to arbitrate) to move to select an arbitrator (and notify the City). The Parties agree to select and schedule an arbitrator within 90 days of the date the Union sent the notification letter to the Human Resources Director or his/her Designee. If a party fails to cooperate in good faith with the scheduling of the arbitration, the other party must provide the uncooperative party with 30 calendar days' notice alleging failure to cooperate. If the uncooperative party continues to fail to schedule the arbitration, the grievance will be settled in favor of the party alleging delay.

The City or CODE may request a reasonable extension of all timelines in this section. All extensions must be in writing, signed by both the City and CODE, specify the length of time for the extension, and shall not be unreasonably denied. Email shall suffice. The parties agree to utilize the Arbitration and Mediation Service ("AMS") and its rules for the administration of all arbitrations, including the establishment of a panel of five (5) permanent arbitrators to hear all arbitration cases between the parties. Within thirty (30) calendar days after the signing of the Agreement, the City and Union will request AMS to provide a panel of nineteen (19) arbitrators who maintain a business or home address within a two hundred (200) mile radius from the City of Cincinnati. Once the panel is received, the parties shall meet to review the panel and strike arbitrator names (seven strikes per party, losing party based on coin-flip shall go first), until five arbitrator names remain. These five arbitrators shall constitute as the permanent arbitrator panel. The partiers further agree to select arbitrators from this panel to hear grievances on a rotational basis, starting in alphabetical order.

Once each year the parties will review the list of arbitrators. Either party may remove an arbitrator during this annual review. The replacement will be by mutual agreement or based on the rules mentioned above. The annual review will take place at the anniversary date of the Agreement.

In the absence of a permanent panel, Arbitration and Mediation Service Rules will prevail for the selection and administration process.

The parties may, only by mutual agreement, utilize an alternative arbitration service, and/or alternative rules for selecting an arbitrator.

The fees and expenses of the arbitrator shall be borne equally by the City and the Union. Furthermore, the aggrieved employee, his Union Representative, and the CODE President and any necessary witnesses shall not lose any regular straight-time pay for time off the job while attending an arbitration proceeding.

# **Section 8.3 Limitation on Authority of Arbitrator**

The arbitrator shall have no right to amend, modify, nullify, ignore, add to, or subtract from the provisions of this Agreement. The arbitrator shall consider and decide only the question of whether there has been a violation, misinterpretation, or misapplication of the specific provisions of this Agreement based on the specific issue submitted to the arbitrator by the parties in writing. If CODE and the City agree to no joint written stipulation of the issue, the arbitrator shall be empowered to determine and decide the issue raised by the grievance as submitted in writing at the First Step. The arbitrator shall be without power to make recommendations contrary to or inconsistent with any applicable laws or rules and regulations of administrative bodies that has the force and effect of law. The arbitrator shall not in any way limit or interfere with the powers, duties and responsibilities of the City under law and applicable court decisions. The decision of the arbitrator, if made in accordance with the jurisdiction and authority granted to the arbitrator pursuant to this Agreement, will be accepted as final by the City, CODE and the employee(s), and all parties will abide by the decision, subject to any appeal rights allowed by the Ohio RevisedCode.

# **Section 8.4 Time Limits**

No grievance shall be entertained or processed unless it is submitted within the time limits specified in Step 1, Division Level. If a grievance is not presented within this time limit, it shall be considered "waived." If a grievance is not appealed to the next step within the specified time limit or an agreed extension thereof, it shall be considered settled on the basis of the last step answer. Failure at any step of this procedure to hold a meeting or communicate a decision on a grievance within the specified time limits shall permit the aggrieved party to treat the grievance as denied and to proceed immediately to the next step. The parties may, by mutual agreement in writing, extend any of the time limits set forth in this Article 8. All extensions must be in writing, signed by both the City and CODE, specify the length of time for the extension, and shall not be unreasonably denied. Email shall suffice.

## **ARTICLE 9: NO STRIKE/NO LOCKOUT**

## Section 9.1 No Strike

During the term of this Agreement, neither CODE nor any officers, agents or employees will instigate, promote, sponsor, engage in, or condone any strike, sympathy strike, secondary boycott, residential picketing, slowdown, sit-down, concerted stoppage of work, concerted

refusal to perform overtime, mass absenteeism, mass resignations, or any other intentional interruption or disruption of the operations of the City at any location, regardless of the reason for so doing. Each employee who holds a position of officer of CODE occupies a position of special trust and responsibility in maintaining and bringing about compliance with the provisions of this Section 9.1 Accordingly, CODE agrees to notify all CODE officers and representatives of their obligations and responsibility for maintaining compliance with this Article, including their responsibility to abide by the provisions of this Article by remaining at work during any interruption as outlined above.

In addition, in the event of a violation of this Section of this Article, CODE agrees to inform its members of their obligations under this Agreement and to encourage and direct them to work by all means available under its Constitution, By-Laws, or otherwise.

#### **Section 9.2 No Lockout**

The City will not lock out any employees during the term of this Agreement as a result of a labor dispute with CODE so long as there is good faith compliance with this Article, unless the City cannot efficiently operate in whole or in part due to a breach of Section 9.1.

# **Section 9.3 Penalty**

The only matter which may be made the subject of any proceeding concerning disciplinary action imposed for an alleged violation of Section 9.1 is whether the employee actually engaged in such prohibited conduct. The failure to confer a penalty in any instance is not a waiver of such right in any other instance nor is it a precedent.

# Section 9.4 Judicial Relief

Nothing contained herein shall preclude the City or CODE from obtaining a temporary restraining order, damages and other judicial relief in the event CODE, any employees covered by this Agreement, or the City violate this Article.

#### **ARTICLE 10: LAYOFF/RECALL**

## **Section 10.1 Layoffs**

- (A) Layoffs and displacements may occur as a result of lack of funds and/or lack of work or job abolishment or job redesign. In any such event, layoff and recall will be in accordance with the Ohio Revised Code §124.32 and any applicable Civil Service Commission rule, except as may be superseded or amended hereafter. In lieu of layoffs, transfers to vacant positions between employing units will be made whenever possible.
- (B) The City will provide CODE with a copy of the "Layoff Statement of Rationale" at least 30 days prior to the effective date of a layoff whenever sufficient time permits or earlier whenever possible. This statement will explain the reason and justification for such layoff or displacement. Employees have the right to appeal the procedural aspects of layoff or displacement to the Civil Service Commission.

- (C) Whenever there is a reduction in the workforce, permanent employees who have passed their initial probationary period are the last to be laid off in a classification within their employing unit. Students, emergency employees, seasonal, provisional and permanent employees who have not passed their initial probation are laid off before full-time employees. Part-time employees are laid off before full-time employees displaced or designated for a layoff will fill existing vacancies within the employing unit first, provided they meet the qualification contained in the job description for the position.
- (D) If the employee whose position has been eliminated has more retention points than any other Division 0 employee occupying a position within the same employing unit and at the same or lower rate of pay but in a different classification series, and otherwise meets all of the qualifications required for the position pursuant to the published job description, then the employee with the fewest retention points will be displaced.

In no case will an employee "bump" another employee with more retention points.

- (E) When an employee is laid off, he or she will receive all wages due including, at the employee's option, all accumulated vacation pay. Such payments will be made no later than the pay period after the layoff.
- (F) In the event of any changes in state law affecting this Article 10, the changes shall become a part of this Agreement unless CODE or the City objects. In that event, CODE and the City have fourteen 14 days from the effective date to notify the other party of their objection. The parties agree to meet and confer. Any deviation from state law will be effected by a Memorandum of Understanding. If no agreement can be reached, then state law prevails.
- (G) The City agrees to provide CODE representatives a minimum of sixty (60) days notice and the opportunity for input if CODE positions are considered for elimination. Further, the City agrees to work with CODE to minimize any layoff of CODE members.

#### Section 10.2 Recall

(A) A layoff recall list by classification will be maintained by the Human Resources Department and will be available to CODE upon request. Upon creation of a new layoff recall list the City shall immediately provide CODE with that layoff recall list. Any employee who is laid off will remain on the layoff recall list for 24 months. Affected employees will be placed on the layoff and recall list by classification and in descending order of retention points. Employees will be recalled to their classification in their employing unit in the order their names appear on the layoff and recall list. Employees may also be recalled to other layoff jurisdictions when vacancies occur and there are no laid off employees from that jurisdiction. In the event an employee desires to return to a classification other than the classification he or she held at the time of layoff, the employee must be qualified for the position according to the City's job specification for the position.

(B) In the event the City Manager identifies an employing unit for non-bargaining unit downsizing, which will have a negative impact as a result of "bumping" within the bargaining unit, then no later than 30 days prior to the actual job elimination and "bumping", the City and CODE, or appropriate subgroup will meet to discuss the impact of the downsizing on the bargaining unit. The City Manager does not relinquish the inherent management rights regarding downsizing and layoffs.

#### Section 13.3 Previous Ohio Public Employment – Sick Leave Balance Transfer

Employees who have been previously employed by either the City of Cincinnati or another Ohio public employer may transfer any unused sick leave credit to their City sick leave balance.

To be eligible for this benefit, the following criteria must be met:

- (A) The employee must be a full-time employee of the City.
- (B) The employee must have been hired by the City on or after February 4, 1987. Employees have six years from their date of hire to submit a request to transfer sick time. Employees must make such requests within ten years of the last date of their previous public employment.
- (C) The employee must provide documentation of the sick leave balance to be transferred. This can be accomplished by a letter from the previous public employer stating the unused sick leave balance held by the employee. The City reserves the right to take reasonable steps to ensure the accuracy of any documentation provided by the employee.
- (D) The employee must request this sick leave balance benefit in writing, with the supporting documentation, to the Human Resources Director.

Prior approval from the Human Resources Director or designee must be obtained by the department for donated time to be used.

- (B) The initial request for approval from the Human Resources Director or designee may be sent when the employee's total leave balances are below 80 hours; however, donated time may not be credited to the employee until they have exhausted all of their own SWP, vacation and compensatory time.

- (D) The number of hours credited to the employee receiving the donation depends on the employee's rate of pay as compared to the rate of pay earned by the donor. If the donor earns less than the donee, the hours donated will be prorated. If the donor earns more than the donee, the hours credited will be greater than those donated. The list of donors with accompanying calculations must be forwarded to the Human Resources Department for verification and approval.
- (E) Employees receiving donated time do not accrue vacation or sick leave unless the employee is working part-time. Then the employee will earn vacation and sick leave under the rate of accrual for employees working less than 80 hours. In addition, employees on donated time do not receive holiday pay. No new benefits can be earned by the employee receiving donated time (*e.g.*, vacation, sick leave, holidays). Therefore, 8 hours must be donated for any workday of the week on which a holiday falls.
- (F) Donated time cannot be used to prolong an employee on the payroll in order to make him/her eligible for any retirement benefits.
- (G) When an employee returns to work, any donated time that has not been used will be removed from the employee's list of donors. Upon returning to work, an employee begins to accumulate vacation and sick time that must be used before any additional donated time can be requested from other employees.

Employees in a no-pay status are not eligible to participate as on-call employees. "No-pay status" is defined in this collective bargaining agreement as time an employee is on unpaid suspension, on leave without pay, or is absent without leave.

#### Section 15.4 Flex Time

The City and CODE understand the need for employees to work Flexible Work Schedules to cover office hours and reduce overtime costs. The City has the right to demand that an employee perform a work-related function outside of the normally established business hours of that employee. The employee may choose to flex these hours worked within that pay period.

However, if circumstances do not permit the employee to do so, either because of the needs of the employer or the employee, the employee may accrue flex time at a straight rate, in accordance with 15.3(A) above. Flex time shall be used within 24 months of accrual absent extenuating circumstances. Use of flex time is subject to Departmental approval based on operational needs. It is understood that there is no absolute right to use all accrued flex time prior to resignation or retirement. Flex time pursuant to this Article shall have no cash value under any circumstances.

#### **ARTICLE 16: WAGES & COMPENSATION**

# Section 16.1 Salary Schedule – Step

The salary schedule-steps for bargaining unit employees, effective March 23, 2008, shall be as set forth in Appendix C. Salary step-ups shall become effective on the first day of the pay period of the employee's performance review date following the effective date of this Agreement. A salary Step-up is contingent upon receipt of at least a "Meets Expectations" (or equivalent) on the employee's most recent performance review, unless that review is not timely, in which case the employee shall automatically receive his/her step-up.

Employees should receive their performance evaluation on or before their anniversary date. If

the subsequent rating is lower than "Meets Expectations," the employee shall retain the Stepup increase associated with the rating period.

# Section 16.2 Cost of Living Adjustment (COLA) or General Wage Increases

Effective March 20, 2022, all employees in the bargaining unit shall receive a COLA wage increase of 5%.

Effective March 19, 2023, all employees in the bargaining unit shall receive a COLA wage increase of 4%.

Effective March 17, 2024, all employees in the bargaining unit shall receive a COLA wage increase of 3%.

The year one increase is retroactive to and including March 20, 2022. The retroactive payment shall be paid in full no later than the close of Pay Period twenty-five (25), ending on November 26, 2022. All retroactive wage increases shall be pensionable for members and employees of the bargaining unit, including without limitation individuals who retired after the effective date of the increase but before execution and approval of the Agreement.

#### **Section 16.3 Working Out of Classification**

- (A) This process shall be utilized in lieu of the Civil Service Temporary Promotion process contained in Civil Service Rule 10, Section 10 (or as may be amended).
- (B) Employees who are temporarily assigned the duties of a higher classification, shall be placed at the salary step which gives them at least a 5% increase above the employee's current rate of pay for each hour worked in the higher class per workday. Employees that do not complete at least one hour per workday in a working out of class assignment shall not be entitled to working out of class pay for that workday.
- (C) Working out of class assignments shall not exceed 6 pay periods without the express approval of the Department Director or designee. After 6 pay periods, the assignment shall be rotated among all other available employees in the work unit. In order to extend an employee's working out of class assignment past 6 pay periods, the Department must show that an operational hardship and/or serious inequity will result if the working out of class assignment is not extended. For example, the assignment may be extended past 6 pay periods if there are no other available employees in the work unit to whom the assignment can be rotated. Upon request, the Department shall communicate the operational hardship and/or serious inequity to Central Human Resources.
- (D) Upon receiving notice that a working out of class assignment has exceeded 6 pay periods and the reason(s) outlined above are not met, Central Human Resources shall discontinue the working out of class assignment and the employee shall be restored to their previous classification and previous rate of pay.
- (E) When an employee in the CODE Bargaining Unit is assigned to work out of class,

the employee's Division Head or designee shall send an email to CODE (<a href="mailto:president@codegroup.org">president@codegroup.org</a>) with the employee's name, current classification, position into which they have been assigned, and starting and ending date of the working out of class assignment.

#### **Section 16.4 Salary Increase Upon Permanent Promotion**

Effective upon ratification of this Agreement, an employee who is permanently promoted to a CODE position shall be placed at the salary step which gives him/her at least a 10% increase, but no more than the step closest to a 10% increase over what the employee was previously earning. An employee who laterally transfers to a CODE position shall be placed at the salary step closest to his/her current wage rate that does not result in a loss of pay.

# **Section 16.5 Shift Differential**

- (A) Employees assigned to a shift ending between 6:00 p.m. and midnight shall receive a shift differential of eighty (.80) cents per hour in addition to their regular rate of pay.
- (B) Employees assigned to a shift ending after midnight and before 10:00 a.m. shall receive a shift differential of ninety-five (.95) cents per hour in addition to their regular rate of pay.
- (C) Employees on rotating shifts: differential shall be paid to the employee who works the shift regardless of whether scheduled or relieving another employee, except it shall not be paid when sick or on vacation.
- (D) Shift differential shall be included in the regular rate used to compute overtime compensation and holiday pay. Shift differential shall be paid starting with the first day of such assignment.
- (E) A shift worker is paid the shift differential, if any, attached to his/her assigned shift for all continuous hours worked if he/she is not filling in for another employee on the shift before or after his/her assigned shift.

#### **Section 16.6 Deferred Compensation**

Employees who receive a bi-weekly paycheck are eligible to participate in either the Mission Square Retirement Corporation's Deferred Compensation Plan or the State of Ohio Deferred Compensation Plan. Effective at the beginning of payroll year 2022, the City shall match each employee's contribution to their deferred compensation account in an amount up to \$750.00 annually.

# Section 16.7 Mileage

Mileage will be paid in accordance with federal guidelines.

#### **ARTICLE 17: INSURANCE**

# Section 17.1 Health & Hospitalization, Prescription Drug, Disability, Dental & Vision Coverage

The City shall continue to make available to employees and their dependents substantially similar group health and hospitalization insurance, prescription drug, long term disability, dental and vision coverage and benefits as existed immediately prior to the effective date of this Agreement. The health and hospitalization plan in effect for all bargaining unit employees shall be the City's "80/20 Plan", as described in Appendix D.

Employee monthly health insurance contributions shall be capped at \$85 per month for a single plan, and \$200 per month for a family plan for the duration of this agreement.

# **Section 17.2 Terms and Conditions**

Employees wishing to change from a single to a family contract must notify the health plan within 30 days of their change in family status. Failure to notify within the 30 day time period will result in the employee having to wait until the next enrollment period to change the coverage from single to family. A family contract in the name of one spouse may be transferred to the name of the other spouse at any time.

An employee in a non-pay status shall have health care plan insurance premiums paid by the City for a maximum of 3 months while he/she is in such status. If the employee drops the coverage during such period, he/she may renew membership with full coverage as of their first day back in City service provided the employee completes a new application form.

#### **ARTICLE 18: GENERAL PROVISIONS**

#### **Section 18.1 Residency Requirement**

There shall be no residency requirement for CODE employees.

# **Section 18.2 Seniority**

Seniority shall be an employee's length of continuous service with the City or continuous length of service in a job classification where only classification seniority is applicable.

- (A) An employee shall have no seniority for probationary period, but upon successful completion of the probationary period seniority will be retroactive to the original date of hire.
- (B) Seniority shall be broken when an employee:
  - (1) Resigns, unless reinstated within one (1) year.
  - (2) Is discharged for just cause.
  - (3) Is laid off and not recalled within time limits as determined by the Civil Service Commission.

- (C) For purpose of vacations within divisions, seniority shall be applied as provided by written policies and regulations of the divisions, as approved by the Department Director.
- (D) The City shall provide CODE, upon request, with a seniority list of all employees within the bargaining unit. The list shall be provided within 14 calendar days of the request. The seniority list shall contain the name, job classification, department, and date of classification entry of all employees in the bargaining unit.
- (E) The City shall provide CODE with a bi-weekly list of all new hires in the bargaining unit along with the employee's name, address, classification, and department.
- (F) Seniority for benefits such as vacation, sick leave, longevity pay, and health care benefits are covered in those specific articles of this Agreement.

# **Section 18.3 Ratification and Amendment**

This agreement shall become effective when ratified by the City Council and CODE and signed by authorized representatives thereof and may be amended or modified during its term only with mutual written consent of authorized representatives of both parties.

# **Section 18.4 Uniforms**

Employees who are required by the Appointing Authority to wear a prescribed uniform in the performance of their duty as City employees shall have such uniforms and replacements furnished by the City in accordance with rules established by the Appointing Authority.

#### **Section 18.5 Health and Safety**

It is the responsibility of every department to provide the safest working conditions, tools, equipment and work methods for employees. Management and labor must see that all safety rules and good working methods are used by all employees. It is the duty of all employees to use the safety rules and safe methods recommended for their safety. Violations of safety rules are to be considered the same as violation of any other department rule.

# **Section 18.6 Agreement Copies**

The City and CODE will jointly select a printer to print copies of the final signed version of this Agreement. CODE shall pay for the copies for CODE employees.

# **Section 18.7 Vacancies and Transfers**

(A) An unfilled position becomes a vacancy only when the Appointing Authority or designee determines to post the position. The City will make a good faith effort to adjust the schedule of an employee who applies for a promotion, transfer, or voluntary demotion in another department of the City, in order to permit the employee to interview and/or test for that position. Vacancies in positions above a lower rank or grade of any category in the bargaining unit shall be filled insofar as practical by promotion of eligible and qualified employees. All employees who fill these vacancies shall have gone through the initial screening process for that rank or grade. All classifications in Appendix A shall not be filled by unqualified persons.

- (B) Vacancies within the CODE bargaining unit may be filled by the following methods:
  - (1) May be filled by Intradepartmental Posting / Determination of Interest;
  - (2) May be filled by Interdepartmental Transfer from within the CODE Bargaining Unit (same classification transfers or classifications listed in Appendix A-1);
  - (3) May be filled by voluntary demotion;

Sewer Maintenance Crew Leader

- (4) If not filled by the routes outlined above in 1-3, positions shall be filled by the route(s) outlined below.
- (C) If the below listed classifications are not filled by transfer or demotion, the position shall be filled using a competitive examination process if there are fifteen (15) or more qualified applicants. These positions shall be posted as open competitive, and the City shall create a single eligible list containing qualified promotional and open candidates. The City may select candidates from the combined list without regard to whether the candidate is Open or Promotional.

| Supervisor of Maintenance   |

- (D) All classifications not listed in Section C above that are not filled through transfer or demotion shall be filled using a non-competitive process, unless the City in its exclusive election, decides to administer a competitive examination. Noncompetitive process is defined as a review of the applicants to determine if the applicants meet the minimum qualifications for the position. This section shall also apply to all classifications listed above in Section C if there are fewer than fifteen (15) qualified applicants.
- (E) CODE employees shall not be prohibited from laterally transferring into non-CODE positions (and vice versa) solely due to a difference in the salary ranges of the two positions, if the two positions had identical salary ranges as of the date of creation of the bargaining unit. However, no employee shall be paid a salary greater than the range established by this Agreement for his/her position.
- (F) Within the first 12 months of employment in a bargaining unit position, the employee may transfer, promote, or demote to another City position. The current employing unit may delay departure of the employee up to a maximum of three pay periods, provided, however, that the delay does not jeopardize the employee's ability to

complete the transfer, promotion, or demotion.

#### **ARTICLE 19: SAVINGS**

# **Section 19.1 Gainsharing Policy Implementation**

The City and CODE jointly agree to form a committee for the purpose of investigation and implementing a Gainsharing Policy for CODE members. Further details and program identification(s) can be developed through a Memorandum of Understanding and supplement this Agreement. Committee formation and a work development plan shall be created within one year from the effective date of this Agreement.

#### **ARTICLE 20: TUITION REIMBURSEMENT**

A full-time (at least ¾ time) permanent or provisional employee is eligible for 100% tuition reimbursement for achieving a grade of A in an approved course, 80% tuition reimbursement for receiving a grade of B in an approved course, and 60% tuition reimbursement for achieving a grade of C in an approved course. In courses that are graded on a pass/fail basis, 80% tuition reimbursement will be granted for a passing grade, and 0% tuition reimbursement for a failing grade. Reimbursement for up to six credit hours is available per academic session under the following conditions:

- (A) The employee has completed his/her probationary period or six months of employment, whichever comes first, before the course begins.
- (B) The education or training is obtained from an accredited school during non-working hours. An agency may allow courses to be taken during work hours, provided vacation and/or compensatory time is used.
- (C) The course is job-related to the employee's current position or to his future City development and promotion.
- (D) Request for reimbursement is filed before course registration using the designated form. The reimbursement is only for tuition expenses and approved lab courses. Lab fees, etc. are not reimbursable. Funds from the Agency's budget must be available. If authorized by his or her department, an employee may receive 60% of the reimbursement amount upon course approval by the Human Resources Director. The balance shall be reimbursed at course completion based on grade achieved.
- (E) A receipt of tuition payment and a grade report is submitted within 30 days after the academic session ends. A grade of at least "C" or equivalent must be achieved in each course.
- (F) The Human Resources Department will monitor for consistency and fairness, and will meet with CODE and employees when requested. Final determination regarding course relatedness or accreditability shall be made by the Human Resources Director.

The rate of reimbursement shall be capped at the undergraduate credit hour rate at the University of Cincinnati (Main Campus / "Uptown"). In no event shall an employee be reimbursed for more than twenty-four (24) quarter hours or sixteen (16) semester hours per calendaryear.

(G) Employees will be required to remain employed with the City for a minimum of two (2) years after receipt of the last reimbursement payment. If an employee leaves City employment prior to the expiration of that two (2) year period, he/she will be required to refund the City a pro rata amount. Exceptional cases will be reviewed by the Human Resources Director upon a case-by-case basis.

#### **ARTICLE 21: ENTIRE AGREEMENT**

This Agreement constitutes the complete and entire agreement between the parties and concludes collective bargaining for its term.

The parties acknowledge that, during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter within the scope of bargaining as defined by State law, and that the understanding and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, except as specifically provided in Section 1.3, the City and CODE, for the duration of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter, whether or not referred to or covered in this Agreement, including the impact or effects of the City's exercise of its rights as set forth herein on salaries, fringe benefits or terms and conditions of employment, even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement.

It is expressly agreed that the City may unilaterally make and implement decisions consistent with the City's rights as set forth in Article 5, even though the exercise of such rights may involve subjects or matters not referred to or covered in this Agreement; provided only that the City's exercise of its management rights shall be subject to employees' individual rights (i.e., those derived from sources other than this Agreement and the collective bargaining relationship which produced it) as provided in Section 5.1.

#### **ARTICLE 22: LENGTH OF AGREEMENT**

This agreement shall be effective on March 20, 2022 and shall remain in full force and effect until midnight on March 15, 2025.

This agreement shall automatically be renewed from year to year unless either party shall give notice to the other in writing at least sixty (60) days prior to its expiration that it desires to terminate or modify this Agreement. In the event such notice is given, negotiations shall begin no later than forty-five (45) days prior to that expiration date.

All new provisions of the 2022 – 2025 Agreement shall be effective upon ratification of this

Agreement by both the CODE membership and the Cincinnati Council unless otherwise specifically provided herein.

# **ARTICLE 23: ITEMS INCLUDED BY REFERENCE**

The City and CODE agree that the provisions of this Agreement shall supersede the City's Human Resources Policies and Procedures. Where not in conflict with this Agreement, items in the City's Human Resources Policies and Procedures shall apply as part of this Agreement. Nothing contained herein shall limit or constrain the City from amending, adding to, or deleting items from the City's Human Resources Policies and Procedures.

In Witness whereof, the parties hereto have duly executed this Agreement on the 28 day of November, 2022.

# **APPENDIX E: DISCIPLINARY MATRIX**

#### **Possible Penalties for Infractions**

This matrix contains examples of types of infractions <u>and is a guideline only</u>. **This list is not inclusive of all of the possible infractions.** If a disciplinary issue arises that this matrix does not address, please contact the Central Human Resources Department.

Multiple infractions that rise out of an event may increase the severity of the proposed penalty. Likewise, a person's overall disciplinary history will affect the discipline received. A person may face a serious level of discipline (dismissal or lengthy suspension) on the first instance of an infraction, depending on the severity of a person's actions and/or the prior disciplinary record. For minor infractions, and particularly for a first incident, counseling may be considered by the supervisor before resorting to discipline under this matrix.

Unclassified, non-represented employees may be disciplined (up to and including dismissal) in any manner that the designated appointed authority determines is appropriate, subject to review by the Human Resources Department.

In addition to reprimands and suspensions, other forms of discipline include:

- Loss of all or part of vacation
- Reduction to lower pay steps within the range (Hourly rate cannot be lower than the first step of the pay range)
- Demotion

These alternatives can be helpful, especially when staffing levels are limited and your ability to provide services are strained. For example, suspending an employee may not be the most appropriate penalty for an employee whose infraction is related to attendance (A reduction of pay within the pay range (equaling a suspension) might be a better way to discipline the employee.).

Disciplinary suspensions should generally not exceed 80 hours. Anything over that should be rare and should only be recommended after consulting with the Human Resources Department prior to issuing the discipline. Dismissal might be more appropriate in some circumstances.

FLSA-Exempt employees may be disciplined in increments of 8 hours for certain types of infractions. Contact Central HR for more information.

Incarceration cannot be a basis for approved leave and will always be considered Absent Without Leave (AWOL). The discipline an employee receives in response to incarceration will be based on the length of incarceration.

For convictions that don't rise to a felony: Again, an employee may be disciplined for convicted offences. Whether a person can continue to work in their present capacity is dependent on the job relatedness of the offence. Some persons may not continue work in a particular capacity due to the fact that there are specific legal prohibitions against it. If it is discovered that an employee has been arrested or convicted of a particular offence, the Law Department and Human Resources Department should be contacted to determine if the employee can continue to work in the position that they currently hold. If they are not permitted to work in the position they currently hold, the employee may be placed in another position for which they are qualified (if one exists), demoted, or dismissed. \*A person may also be disciplined for failing to report arrests or convictions – please refer to the section on "Neglect of Duty".

<sup>\*</sup>An employee who loses their driver's license, but later receives driving privileges (allowing them to drive at work) from the courts should be permitted to operate city vehicles (provided the employee only drives a vehicle that does not require a Commercial Driver's License (CDL); a loss of license automatically suspends a Commercial Driver's License and courts cannot override the suspension of a CDL). Any agency wishing to deviate from this practice must first receive permission from the Director of Human Resources.

For any violation of any City or Department Policies, Procedures, Administrative Regulations, Municipal Code, or committing offenses as outline in Ohio Revised Code 124.34, or anything not specifically listed in this guide, the appropriate discipline will be decided on a case by case basis. Contact the Labor Relations Section of the Human Resources Department for guidance.

The City Manager, appointing authority, or the Director of Human Resources, or their designee, may recommend discipline which is greater or less than these guidelines.

# NEGLECT OF DUTY – Accidents with Injury, and Vehicle Accidents, Equipment and / or Property Damage

#### Non-Preventable Incident / Accident

The employee demonstrates an acceptable level of skill and knowledge of both the established work procedures and the safety policies; and, the employee was in compliance with the said procedures and policies when the incident occurred. The investigator can identify no actions or failures to act by the employee that would have averted the incident. In the investigator's judgment, contributing environmental factors were not reasonably foreseeable or controllable.

#### Preventable Incident / Accident

The employee demonstrates an acceptable level of skill and knowledge of both the established work procedures and the safety policies; and, the employee was not in compliance with one or more of the said procedures and policies when the incident occurred. The investigator can identify at least one action or failure to act by the employee that would have averted the incident; and/or, the investigator can identify one or more contributing environmental factors which the employee could have reasonably been expected to anticipate or control.

# A preventable accident does not have to include an injury or property damage; failing to adhere to the above mentioned policies or procedures will still be subject to discipline.
